RUSSIANS ARE BEING HELD FOR DEPORTATION ACTION

NEW YORK, March 20.—Three aliens, arrested in a raid on headquarters of a Russian radical organization a few days ago and alleged to be opponents of government and advocates of its overthrow by force, were discharged from civil custody today and removed to Ellis Island, where deportation proceedings have been begun against them. They, with Mollie Steimer, who was at liberty on bail pending appeal from conviction under which she was sentenced to prison for 15 years for circulating seditious literature, were the only persons held of 164 taken in the raid.
